The Allington Estate is an elegant and stately four bedroom, 4 bath home. There is a formal dining room and living room that is surrounded by a wrap around porch. Upstairs is home to the master suite and three additional bedrooms and two full baths. There will also be a generous allowance to select cabinetry, appliances, lighting and more. Don't wait- reserve your home today because once a plan is selected it will be removed from the choices. No two houses will be the same. We invite you to come take a look at all the stunning house plans, walk the peaceful, tree lined sites and see for yourself just how wonderful your home could be.
