Edgewater Hill

The Ridgeview Estate has a contemporary, craftsman style with touch of grandeur due to the double columns on top of stacked stone across the expansive front porch. The downstairs family room is open to the breakfast area and kitchen and then into another great room. Upstairs is the master suite and laundry with two additional bedrooms with a shared full bath. There is an additional fourth bedroom located on the main floor. There will also be a generous allowance to select cabinetry, appliances, lighting and more. Don't wait- reserve your home today because once a plan is selected it will be removed from the choices. No two houses will be the same. We invite you to come take a look at all the stunning house plans, walk the peaceful, tree lined sites and see for yourself just how wonderful your home could be.
